

Intrinsically-Safe LED torch Lite-Ex PL 30

The Lite-Ex PL 30 LED high performance torch is especially designed to withstand daily use in industrial environments and with the new ,ring-switch' mechanism, operation is made quickly and easily.

The ecom Lite-Ex PL 30 LED torch gives unrivalled high performance.

The 3-watt LED unit is powered by 3 x LR14 batteries, providing many hours of use. With a high IP65 protection rating, the anti-static polymer housing of the unit is ergonomically designed to be comfortably and securely held - even in the most difficult conditions.

Switching on the torch could not be easier - simply twist the ,ring-switch'. This innovative switch mechanism means that even when wearing gloves the user can easily operate the torch and because it is a ,non-contact' mechanism the need for repair is reduced - saving time and money.
